Print length : 398 pages

The conference will feature keynote speeches, invited talks, paper presentations, and panel discussions on a wide range of topics, including:

- Artificial intelligence
- Big data
- Cloud computing

- Cybersecurity
- Data mining
- Information retrieval
- Machine learning
- Natural language processing
- Software engineering
- Web science

JIST 2024 is an excellent opportunity for researchers and practitioners to share their latest research findings, learn about the latest advances in the field, and network with colleagues from around the world.

### **Important Dates**

- Paper submission deadline: **May 15, 2024**
- Notification of acceptance: **July 15, 2024**
- Camera-ready paper submission deadline: **August 15, 2024**
- Conference dates: **November 25-27, 2024**

### **Submission Guidelines**

Authors are invited to submit original research papers that have not been previously published or submitted for publication elsewhere. Papers should be formatted according to the IEEE conference template and should be no more than 8 pages in length. Papers should be submitted electronically via the JIST 2024 submission system.

## Registration

Registration for JIST 2024 will open in May 2024. Early registration discounts are available until August 15, 2024.

## Accommodation

A block of rooms has been reserved at the Hangzhou International Conference Center. To book a room, please visit the conference website.

## Contact Information

For more information about JIST 2024, please contact the conference secretariat at [jist2024@easychair.org](mailto:jist2024@easychair.org).
