

Cleveland Millionaires' Row: A Trip Back in Time

Cleveland, Ohio is a city with a rich and storied history. It was once a major industrial hub, and home to many of the country's wealthiest families. These families built opulent mansions along a stretch of Euclid Avenue that became known as Millionaires' Row.

Today, Millionaires' Row is a National Historic Landmark District, and many of the mansions have been restored to their former glory. The homes on Millionaires' Row are a testament to the wealth and power of Cleveland's elite in the late 19th and early 20th centuries. They are also a beautiful example of Victorian architecture.

If you are interested in history, architecture, or just want to see some of the most beautiful homes in the country, then you need to visit Millionaires' Row. Here is a guide to some of the most popular homes on the Row:

- **The Wade Park Manor:** This 1897 mansion was built for Jephtha Wade, a wealthy industrialist. It is one of the largest homes on Millionaires' Row, with 50 rooms and 15 bathrooms. The Wade Park Manor is now a museum, and it is open to the public for tours.
- **The Rockefeller Mansion:** This 1896 mansion was built for John D. Rockefeller, the founder of Standard Oil. It is the largest home on Millionaires' Row, with 65 rooms and 19 bathrooms. The Rockefeller Mansion is now a private residence, but it is occasionally open to the public for tours.
- **The Mather Mansion:** This 1893 mansion was built for Samuel Mather, a wealthy iron ore magnate. It is one of the most architecturally significant homes on Millionaires' Row, and it is listed on the National Register of Historic Places. The Mather Mansion is now a private residence.
- **The Hanna Mansion:** This 1891 mansion was built for Mark Hanna, a wealthy businessman and politician. It is one of the most beautiful homes on Millionaires' Row, and it is known for its elaborate gardens. The Hanna Mansion is now a private residence.
- **The Garfield Monument:** This 1890 monument was built to commemorate President James A. Garfield, who was assassinated in 1881. It is located at the east end of Millionaires' Row, and it offers stunning views of the city.

In addition to the homes on Millionaires' Row, there are also several other attractions in the area. These include the Cleveland Museum of Art, the

Western Reserve Historical Society, and the University Circle neighborhood.

If you are planning a trip to Cleveland, be sure to add Millionaires' Row to your itinerary. It is a beautiful and historic neighborhood that is sure to impress.
