

Computational Vision and Medical Image Processing VIPIMAGE 2024

Computational Vision and Medical Image Processing VIPIMAGE 2024 is an international conference that provides a forum for researchers, developers, and practitioners to present and discuss the latest advances in the field of computational vision and medical image processing. The conference will cover a wide range of topics, including image processing, computer vision, machine learning, and deep learning.

The conference will be held in Paris, France, from July 15-17, 2024. The deadline for paper submissions is March 15, 2024. For more information, please visit the conference website.

Topics of Interest

- Image processing
- Computer vision
- Machine learning

- Deep learning
- Medical image processing
- Computer-aided diagnosis
- Image segmentation
- Image registration
- Medical image analysis
- Computer-aided surgery
- Medical robotics

Keynote Speakers

- Professor X
- Professor Y
- Professor Z

Important Dates

- Paper submission deadline: March 15, 2024
- Notification of acceptance: May 15, 2024
- Camera-ready paper submission deadline: June 15, 2024
- Conference: July 15-17, 2024

Registration

The registration fee for the conference is €300. For more information, please visit the conference website.
