

Embark on Bilingual Adventures: Little Polyglot Adventures Bilingual Unveils the Magic of Language Learning

Immerse Your Child in a World of Bilingual Wonder

"A polyglot is someone who can speak many languages. That's why my mom sometimes calls me her little polyglot."

"Cool! Like a language superhero?"

"Exactly!"

Dylan is an American boy like many others. One thing makes him special though: his parents come from other countries and speak to him in different languages. It's his birthday today and he receives a very unusual present, only to lose it shortly after. Together with his best friend Emma, a sweet bilingual girl born to South African parents, Dylan sets out to find his lost birthday present. During their search, the two friends learn about the value of friendship, of speaking different languages, and of appreciating one's own as well as others' cultural and linguistic background.
