What's New in the 2024 MLA Update?

The 2024 MLA update includes a number of changes to the way that students cite sources and format their papers. Some of the most important changes include:

- **New citation style:** The 2024 MLA update introduces a new citation style that is simpler and more user-friendly. The new style eliminates

the need for the "Works Cited" page and instead uses in-text citations to identify sources.

- **New formatting rules:** The 2024 MLA update also includes a number of new formatting rules. These rules include changes to the way that students format their headings, margins, and page numbers.
- **New guidelines for electronic sources:** The 2024 MLA update includes new guidelines for citing electronic sources. These guidelines make it easier for students to cite sources that are found online or in other electronic formats.

How to Use the 2024 MLA Update

The 2024 MLA update is available online at the MLA website. Students can also Free Download a copy of the update in bookstores or online retailers.

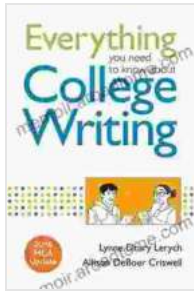

To use the 2024 MLA update, students should first familiarize themselves with the new citation style and formatting rules. They can then apply these rules to their own writing. Students who are unsure about how to use the new update can consult with their instructors or librarians for assistance.

The 2024 MLA update is a significant change to the way that students cite sources and format their papers. However, the new update is also simpler and more user-friendly than the previous version. By following the guidelines in the 2024 MLA update, students can improve the quality of their writing and make their papers more readable and professional.
