

Middlebrow Cinema Remapping World Cinema

A Comprehensive Guide to the Aesthetics and Politics of Middlebrow Filmmaking

Middlebrow Cinema Remapping World Cinema is a groundbreaking book that examines the aesthetics and politics of middlebrow cinema. This book argues that middlebrow cinema is not a monolithic category, but rather a diverse and dynamic field that has played a significant role in the development of world cinema. The book's contributors provide a range of perspectives on middlebrow cinema, from its historical origins to its contemporary manifestations.

The book is divided into three parts. The first part, "Theorizing Middlebrow Cinema," provides a theoretical framework for understanding middlebrow cinema. The second part, "Middlebrow Cinema in National Contexts," examines the development of middlebrow cinema in a variety of national contexts, including the United States, Europe, and Asia. The third part, "Middlebrow Cinema and the Global Marketplace," explores the role of middlebrow cinema in the global film industry.
