This handbook is an essential resource for practitioners and researchers working with offenders with intellectual and developmental disabilities (IDD). It provides a comprehensive overview of the field, covering a wide range of topics, including:

- The prevalence and characteristics of IDD in the criminal justice system

- The unique challenges faced by offenders with IDD
- The best practices for assessment and intervention
- The legal and ethical issues involved in working with offenders with IDD
- The policy considerations for addressing the needs of offenders with IDD

The Wiley Handbook on Offenders with Intellectual and Developmental Disabilities is a must-read for anyone working with this population. It provides a wealth of information and guidance that can help practitioners and researchers to better understand and serve offenders with IDD.
