Confessional Culture: Excavating the Role of Guilt and Shame

The book delves into the confessional practices prevalent in medieval societies, revealing how they served as a crucible for expressing and processing feelings of compunction. Through meticulous analysis of confessional texts, the authors uncover the intimate experiences of individuals grappling with guilt and shame.

Social Norms and Moral Values: The Shaping Forces of Compunction

Beyond the confessional, "Cultures of Compunction in the Medieval World" explores the broader social and cultural forces that shaped experiences of compunction. It examines how societal norms and moral values influenced individuals' understanding of sin, repentance, and the path to redemption.

A Treasure Trove of Primary Sources and Expert Analysis

Drawing upon a wealth of primary sources, including letters, diaries, legal documents, and religious treatises, the authors provide a vivid and comprehensive account of medieval compunction. Their expert analysis illuminates the nuances of this emotion and its profound impact on medieval individuals and communities.

Unveiling the Hidden Emotional Landscape of the Medieval World

"Cultures of Compunction in the Medieval World" is an essential resource for scholars of medieval history, literature, and religion. It offers a unique window into the hidden emotional landscape of the Middle Ages, providing a deeper understanding of how people experienced and navigated the complexities of human existence during that era.
